Women's Empowerment

*Empowering Communities through Women and Children*

**Not all social workers  
are morally upright.  
Be alert. They may  
exploit and abuse  
you sexually.**

Women's Empowerment

*Empowering Communities through Women and Children*

**Are you sexually exploited or  
abused by a social worker?  
Quickly report the case  
to the nearest local  
authorities or police.**
